

# Fruit of the Spirit

**FLASHCARDS**

80 memory verses for use with  
"Living the Fruitful Life Character Study"  
For Junior High students

Flashcards are provided for daily drill of the new verse being learned and review of previously learned verses. As you work through each Fruit of the Spirit in the Character Study, work on the verses provided for that Fruit of the Spirit and also say previously learned verses to refresh your memory. When the study has been completed you should have committed to memory all the verses provided.

**\*ALTERNATIVE BIBLE VERSION OPTION\***

This file is an option for those who prefer to use another Bible translation instead of KJV. Just print the flashcards and then look up the verse in your preferred version and write it on the back side of the cards. The work of finding the appropriate verses is done for you. You could even have your child write it if you wish to help them remember it better.

**PRINTING INSTRUCTIONS**

The flashcards should be printed double-sided. Printing on cardstock will make them more durable. You can also have them laminated if you wish. Most printers have an option for printing a double-sided document.

If you have any trouble doing so, here is a link to a great site that explains in detail how to print double-sided, with either a PC or a MAC:

Cutting each sheet in the center horizontally and vertically should give you four cards measuring 4.25 x 5.5 inches, with a 1/4 inch margin all around.
